design new product using feedback of existing

[Advanced Patent Search](#)[Patents](#) Showing: [Any status](#)  View as: [List](#)  Patents 1 - 10 on design new product using feedback of existing product[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

Quality forecasting engine

US Pat. 5761093 - Filed May 8, 1997 - Motorola, Inc.

The QF engine uses factory defect data from **existing** products that are built on a specific assembly line as the basis for making all **new product design** ...

Design engine for automatic reformatting for design and media

US Pat. 5895476 - Filed Sep 9, 1996 - Design Intelligence, Inc.

A composition may be **existing** picture for that **product**. ... **product** and will insert a **new product** compo- paper media by **using** standard drivers of a computer ...

Design engine for fitting content to a medium

US Pat. 5956737 - Filed Sep 9, 1996 - Design Intelligence, Inc.

The **product** containing that text will accept the picture by way of replacing ... will insert a **new product** component in addition to other **existing** products. ...

[APPLICATION] SYSTEM AND METHOD FOR AIDING PRODUCT DESIGN AND QUANTIFYING ACCEPTANCE

US Pat. 11534035 - Filed Sep 21, 2006

That may be true in order to provide **product** designers with meaningful and actionable **feedback** as to how a **new product** could be made more acceptable. ...

Design engine for fitting content to a medium

US Pat. 6161114 - Filed Apr 14, 1999 - Design Intelligence, Inc.

In a report **design**, dropping a paragraph upon an **existing** paragraph may insert ... But, the document will accept the dropped **product** and will insert a **new** ...

Design engine with tree and component structure

US Pat. 5903902 - Filed Sep 9, 1996 - Design Intelligence, Inc.

In a report **design**, dropping a paragraph upon an **existing** paragraph may insert ... But, the document will accept the dropped **product** and will insert a **new** ...

Design engine for automatic layout of content

US Pat. 5895477 - Filed Sep 9, 1996 - Design Intelligence, Inc.

33 34 chooses a **new design** for a particular composition and FIG. is dropped ... Also, if a complete **product** with information from the **design** tree for that ...

Customer-based product design module

US Pat. 5999908 - Filed Sep 19, 1997

In addition, this invention may be employed to develop many **new** types of ... such as **product** designs and increased revenues, such **feedback** systems could ...

Automatic layout of content in a design for a medium

US Pat. 6928610 - Filed Oct 28, 2002 - Microsoft Corporation

In a report **design**, dropping a paragraph upon an **existing** paragraph may insert ... But, the document will accept the dropped **product** and will insert a **new** ...

Automated production dispatch system with feedback control

US Pat. 4866628 - Filed Dec 18, 1987 - International Business Machines Corp.

Description of the Prior Art 30 The process of designing, developing and manufacturing a **new product**, or making major changes to **existing** products, ...

design new product using feedback of existin
